THIS IS UNEVALUATED INFORMATION

At the beginning of August 1952 the Chinese Communist Politburo discussed the
problem of militarizing the organization of several major administrative areas
and military districts with the view of putting them on a wartime status. Staff
departments and mobilization bureaus will be established within each unit to
increase military efficiency. The plan may be tried first in North China.

Comment. considerable reshuffling of military and
political personnel in major administrative areas is probable in the near future.
